A MESSAGE FROM THE PRINCIPAL

Dear PBA Parents,
We know that our children's academic growth and future success depend on the education they receive today, and parent involvement also plays a critical role in the learning process. You can be a part of that success and the learning process.

That's why we're asking PBA parents to get involved! **BE A VOLUNTEER.** There are many reasons to volunteer: Your kids will benefit, you'll get to know their teachers, and the time you spend in school will allow our staff to do more things for more students that means better learning for all.

You are encouraged to contact our Community Outreach Coordinator, Ms. Akudo Nwokeukwu @720-424-0965 or email her @ akudo_nwokeukwu@dpsk12.org to find out what volunteer opportunities are available.

SHOUT OUT News!

COUNTY-WIDE RECOMMENDATION!

SALUTE to our very own TONY REVELES, HEAD CUSTODIAN, & ULFETA KUDOZOVIC for a JOB WELL DONE!

"I recently helped coordinate a large community event at PBA on Saturday, February 11th. ... it was a huge success and attendance and overall turnout went beyond my expectations. Of course, none of this would have been possible had it not been for the stellar engagement and assistance by TONY REVELES and ULFETA KUDOZOVIC.

I wanted to be sure to send along a note of commendations for their work on the day of the event and in planning prior to. We ... pulled off a massive community that attracted 500-600 residents, community leaders, elected officials and press/media.

TONY AND ULFETA were incredibly accommodating, visible and present throughout. They certainly helped to relieve a great deal of pressure and stress. We could not thank them enough... Hopefully, this note can be included in their performance review"
