## SCHOOL COUNSELOR

### QUALITY FAMILY TIME: PART ONE

Kids rely on their families for love, guidance, and a sense of belonging. Without these things, it's hard to do well in school or in life. Activities like the following will show your child she has family support, **Eat meals together:** Extend your time together by preparing and cleaning up as a family too. Turn off the television during meals so conversations can take place! **Take Trips:** Go to a concert, local museum or sports event. Ask your children, "What would you like to do?" **Play together:** Choose games that everyone can enjoy, such as charades, board games or 20 questions. Let your children pick what to play.
