A MESSAGE FROM THE PRINCIPAL

Dear Parents,
We need your assistance in getting children to school each day and on time. Regular attendance and punctuality are good habits to form. Such an approach to life early on encourages a responsible decision maker later.

Please remember that students coming off the bus should proceed to the cafeteria and students walking to school should not arrive before 8:15 a.m. There is no adult supervision on the playground until 8:15 a.m. We appreciate your assistance in this matter, as we are concerned for the safety of each and every one of our students.

**International Night is May 12, 5 pm to 7:30 pm.
YOU ARE INVITED**

SHOUT OUT News!

THREE DAY FIELD TRIP TO THE CO. MOUNTAINS!

The 5th. Graders enjoyed a lovely, three day educational experience in the Colorado Mountains. They learned about Colorado's mining history, how early pioneers lived, all about trappers and traders, and how to build a tee pee. Our students built their confidence and had so much fun hiking, zip lining, and venturing on a giant swing. We are grateful for the growth, learning and lifetime memories Balarat offers our young people.

School COUNSELOR

QUALITY FAMILY TIME: PART TWO

Plan Family Nights: Decide together what to do, or take turns choosing. You might order pizza, bake cookies or see a movie. Sometimes invite another family to join you. **Do Something Funny:** Some of the best family memories are the funniest ones. You might make breakfast for dinner, or dress in the craziest outfits you can find. **Relax:** Some parents find that right after school is a great time to spend with children. The kids are ready to plop down and talk about their day. Talk about family news, goals, concerns, and successes.
