

# PBA WEEKLY E-NEWS

## Admin

### A MESSAGE FROM THE PRINCIPAL

#### YOU ARE INVITED

## SHOUT OUT News!

### Sierra Club ICO

Our primary focus is on helping youth to forge a meaningful bond with nature such that they appreciate its wonder and understand the need for its protection. Through the after school program sessions, students will be provided with information leading to understanding the outdoors and get them motivated to become active participants. Topics included in these sessions are: Hiking, Backpacking, Fishing, Environmental awareness Team work, Healthy life style.

Athletic Director: Kathleen Nickless-720-424-1042

### Motivating Children to Be Active: PART TWO:

**DID YOU KNOW THAT:** Healthy and Physically active children are more likely to be academically motivated, alert and successful, which leads to a strong self-esteem.
