A MESSAGE FROM THE PRINCIPAL

Dear Parents – Help Us Stay Informed

DPS is dedicated to supporting student learning by serving fresh and nutritious school meals to your students every day. As we work to better communicate and inform Place Bridge Academy parents and families about the school lunch program, we ask for your help.

Please take two minutes and fill out this very brief survey and tell us which aspects of school meals you value the most.

Hold down the Ctrl key and click on either the English or Spanish link below to start the survey.

Motivating Children to Be Active: PART THREE:

With school-age children spending more time on sedentary pursuits like watching TV and playing computer and video games, the challenge for parents is to help children find physical activities they enjoy and feel successful doing. Activities can range from traditional sports like baseball and basketball to scouting, camping, hiking and other outdoor pursuits.
