## Admin

### A MESSAGE FROM THE PRINCIPAL

Dear parents and guardians;

Please be informed that Students will not be allowed to bring Fidget spinners to school for the rest of the year and beyond.

If the Fidget spinner is seen with any student in school, it will be taken away, and will not be given back to the student. An adult from the family must come to school to pick it up. These toys are causing major distractions in the classrooms and fights between students.

Thank you for your support with this issue.

## SHOUT OUT News!

### 1<sup>st</sup> Grade Field Trip to the Denver Art Museum

The First Grade field trip to the Denver Art Museum was just...AWSOME!! Children, teachers and volunteers had the best time! We learned about Native American history. We were able to appreciate their art. We "walked on the moon", we had lunch outdoors. Thank you Ms. Akudo for helping put together this wonderful event!

## Sports

### FALL TRY-OUTS

Next fall we will hold try-outs for XC, Boys' Soccer and Girls' Softball. Please have a current physical ready to go at your first day of try-outs which will be after school on August 23<sup>rd</sup> and 24<sup>th</sup>!

Athletic Director: Kathleen Nickless-720-424-1042

## SCHOOL COUNSELOR

### Motivating Children to Be Active: PART FOUR:

No matter what your child's level of athletic ability is, remember that all children can be physically fit. Your positive attitude will help a child who is reluctant to exercise.

Tami Koenig MA,  
School Counselor; 720-424-1066 or
