A MESSAGE FROM THE PRINCIPAL

Dear Parents,

Our collaboration with you as shareholders in your child's development continues to be the primary goal of the teachers and the administration. Strong student growth requires parent, teacher, student, and administrator partnership. We need your assistance in getting children to school each day and on time. Please remember that students coming off the bus should proceed to the cafeteria and students walking to school should not arrive before 8:15 a.m. There is no adult supervision on the playground until 8:15 a.m.

We appreciate your assistance in this matter, as we are concerned for the safety of each and every one of our students.

School Counselor

Dear PBA Parents,

As students return to school have them ready to learn by setting up routines. Music can help your child avoid the morning rush. Play a soothing tape and ask him to be dressed and ready by the time it's over. Tip: On Sundays, have him put each day's outfit for the coming week on hangers labeled Monday through Friday. A good breakfast increases concentration. Offer your youngster healthy choices. Examples: a whole wheat bagel with peanut butter, orange juice blended with fruit and yogurt, instant oatmeal.
