A MESSAGE FROM THE PRINCIPAL

Dear Parents,

As you may be aware, on September 19, 2017, a magnitude 7.1 earthquake struck the Mexican states of Puebla, Morelos and Mexico, including the capital, Mexico City. It is a terrible tragedy that has affected many of our students, families, friends, and staff.

At times like these and to all who are impacted by this tragedy, we want you to know that you are in our thoughts. Please know that if any of our students needs social or emotional support, we at Place Bridge can provide that to our students.

IDEAS TO HELP DEVELOP EMPATHY: PART I

Praise Empathetic Behavior: When your child performs an act of kindness, tell him what he did right, and be as specific as possible e.g., "You were very generous to share your pretzels with Tommy. I saw him smiling and I know he was happy."

Use Role Play: Have your child put himself in the other person's shoes and role play the situation. Also, look back at prior experiences when the tables were turned.
