### A MESSAGE FROM THE PRINCIPAL

Dear Parents,

Thank you for allowing us serve your children. Please be sure to call in your absences to 720-424-0968. We encourage all students to be in school every day and strive for perfect attendance. But if your child needs to be absent from school due to illness or for an appointment, kindly call before 9:00 a.m. or as early as possible. If he/she needs to be absent for more than one day, you can make arrangements with your child's teacher to pick up his/her homework.

As we monitor student attendance, parents will be receiving notification of excessive absences and/or tardies. Regular attendance is important to the success of students in school. We are glad to partner with you in making regular and prompt attendance a priority.

## SCHOOL COUNSELOR

### ACTS OF VIOLENCE CAN FRIGHTEN CHILDREN: HOW TO REASURE THEM:

**SOLUTIONS 3: MAKE TIME TO TALK:** Let their questions be your guide as to how much information to provide. Be patient; children and youth do not always talk about their feelings readily. Watch for clues that they may want to talk, such as hovering around while you do the dishes or yard work. Some children prefer writing, playing music, or doing an art project as an outlet. Young children may need concrete activities (such as drawing, looking at picture books, or imaginative play) to help them identify and express their feelings.
