A MESSAGE FROM THE PRINCIPAL

Students, Parents, Volunteers, Teachers, and Staff:

This week as we take time to reflect on what we are thankful for, I would like to take a moment to give thanks.

I am thankful for:

- ❖ Our **students** for their huge effort in becoming the very best they can be.
- ❖ Our **parents** for their unrelenting support in building effective partnerships. Your involvement here makes a much stronger community, and your children benefit from your efforts.
- ❖ My sincere thank you to PBA **volunteers, teachers, and staff**, for constantly challenging our students to reach new heights, and for your immeasurable service, hard work, and outstanding commitment.

For these and a million other things, I am **TRULY THANKFUL!**

I wish you all a memorable Thanksgiving.

SCHOOL COUNSELOR

THREE IMPORTANT RULES TO MANAGING ANGER:

1. Never hurt yourself.
2. Never hurt others.
3. Never break things.

If children and adults follow these rules, we all feel more in control when angry feelings occur. Parents need to be a good role model when handling their own anger in order for children to learn to control their anger instead of letting the anger controlling them.
