A MESSAGE FROM THE PRINCIPAL

Dear Parents,

Happy New Year! I would like to extend a warm welcome to you all. I hope every one of you enjoyed quality time with family and friends over the Holiday Season.

As we start a New Year and a new trimester, be reminded that a New Year always ushers in a sense of renewal and a purpose for collective commitment to excellence, and with it, comes a strong New Year resolution to achieve expected and desired results.

While we still have a few more months to the end of this school year, we hope that you will continue **helping your children with school assignments and encouraging them to study.**

Please feel free to contact your children's teachers if you have any questions.

My best wishes to you all for an exciting and learning filled months ahead.

SCHOOL COUNSELOR

Dear Parents, Happy New Year to you and your children! I hope that the transition back to school has been smooth for your children at Place Bridge Academy this week!

As I think about this new trimester, I am excited about the opportunity to collaborate & Build Bridges for Success into the Future with you all.

On my next edition, I will be sharing **Tips that will help get your kids moving in the morning, help your mornings run more smoothly, and help everyone get on their way with smiles.** I believe this will have a great positive impact for everyone especially our students.

Watch out for the "TIPS" on my next edition!
