

PBA WEEKLY E-NEWS

Admin

A MESSAGE FROM THE PRINCIPAL

Dear Parents,

I want to thank you for your help and support with PBA ACCESS TESTING. ACCESS testing was completed for the majority of our students on Wednesday, January 24, 2018. If your student was absent during the testing window, then they will be doing a makeup test. Again, please continue to encourage your students to do their very best on all their testing and assessments.

Also, please relay the importance to your children that they complete all their homework.

Tips to Help Get Your Kids Moving in the Morning: Part 2

Prepare the night before. Have clothing picked out, take baths or showers, and make sure all items needed are in the backpack ready to go! Have the kids put their backpacks near the door.

Make breakfast easy. It's the most important meal of the day! Have healthy options in a place where children can get to them. Cereal, instant oatmeal, bagels or toast are all items that most children can prepare themselves.

Let your child learn the consequences of dilly-dallying in the morning. If the bus has arrived and she still hasn't brushed her hair, send her to school with messy hair. Ignore your embarrassment and let her learn. The next morning she'll probably get ready a little quicker!
