### A MESSAGE FROM THE PRINCIPAL

Dear Parents,

As you may be aware, our CMAS Assessment testing is scheduled to begin on March 20<sup>th</sup> through March 22<sup>th</sup>. Please make sure that your student is at school and on time for the CMAS test. Also, do not pull students out for appointments during this time. Ensure that your students are well rested, and have eaten a good breakfast on testing days. Finally, please encourage your student to do their best on all testing and assessments.

Let us keep working together to the success of our children and students. Support our school and your child's teacher by promoting excellent school attendance, good behavior in the classroom, and make sure your child does homework when assigned.

## SHOUT OUT News!

I just wanted to give a shout out to Ms. Covey's long term sub, Miss Jabbar, on the beautiful art work and writing the Third Grade, Level 1 Newcomer students produced. This work can be seen hanging on the wall right outside of her classroom. Amazing job!

Angela Marklowitz

## Sports

### SPRING SPORTS SEASON!

This week begins our spring practices for girls soccer and boys baseball. Our teams practice Monday - Thursday from 4:00 to 5:00pm. Our first game for both teams is March 20<sup>th</sup> at Hamilton at 4:00 pm.

Please turn in your \$25 fee by March 16<sup>th</sup>.

Athletic Director: Kathleen Nickless, 720-424-1042

### MOTIVATING YOUR CHILDREN! PART 4:

- Monitor your child's health and secure medical intervention for any physical problem that may be interfering with his/her ability to attend and fully participate in school.
- Provide regular, nutritious, well-balanced meals. A child who is hungry or not receiving adequate vitamins and minerals is unlikely to be motivated in school.

Tami Koenig MA,  
School Counselor; 720-424-1066
