A MESSAGE FROM THE PRINCIPAL

Dear Parents,

We need your assistance in getting children to school each day and on time. Regular attendance and punctuality are good habits to form. Such an approach to life early on encourages a responsible decision maker later.

Please remember that students coming off the bus should proceed to the cafeteria and students walking to school should not arrive before 8:15 a.m. There is no adult supervision on the playground until 8:15 a.m. We appreciate your assistance in this matter, as we are concerned for the safety of each and every one of our students.

MOTIVATING YOUR CHILDREN! PART 9:

- Remember, one of the importance of family traditions is having your children feel comfortable and accepted in a home environment that features consistent and ritualistic events.
- Consistently demonstrate how much you value learning by supporting the policies and practices of your child's school. Avoid criticizing your child's teachers. Speak positively about your own school experiences and promote the idea that learning is a lifelong process.
