#### PARENT SATISFACTION SURVEY

Dear Parents,

Please be informed that the Parent Satisfaction Survey will be coming home with your children on Monday April 9. Please look for the SURVEY in your child's homework folder or backpack, and complete the survey.

PBA values inputs from families, and we want to hear from you! You are an important partner as we work to better our learning environment for students and families. This survey helps us understand how well our school is supporting your students' needs and is a part of our School Performance Framework (SPF).

**It is anonymous and confidential.**

Please complete the survey contained in that packet, and mail it in the district-provided, prepaid return envelope before Friday May 4, 2018. Each household should only fill out one survey. If you have more than one student at the school, we ask that you think about your oldest student and answer the questions based on them. We really appreciate your feedback and look forward to learning from your input.
