A MESSAGE FROM THE PRINCIPAL

Dear Parents,

How time flies! I can't believe we are almost close to the end of this school year. If your child will not be returning to PBA next school year, and you would like a copy of his/her report card, please give a self-addressed stamped envelope to your child's teacher on or before the last day of school, and the report card will be mailed to you.

Remember, our Field Day and College Fair will take place next week, on Wednesday, May 23. As always, parents are welcome to come and watch the activities.

We look forward to finishing strong!

Tips for Filling Your Summer Break with Fun & Learning Part 1

- Definitely join the summer reading program at the public library! They plan lots of fun activities and reward kids for reading books. Make sure you set aside time to read each day. Pick out a couple longer books to read aloud this summer, and let your child help make the choices!
- If you attend a family reunion this summer, plan to look through old photos before attending. Talk with your children about your memories with siblings, cousins, and other relatives. Make them a part of your family conversations when everyone gets together.
