8 GRADE CONTINUATION CELEBRATION!

Dear Parents,

This year we will have a remote Continuation Celebration on May 27th for our eighth grade students. It will be a video celebration and will be broadcast from 6-7 p.m. The Continuation Celebration video will also be available to watch or rewatch at a later date!

We would like to give each 8th grader an opportunity to have a voice in the Continuation. Each 8th grader has the opportunity to make a 15 second video to include in the Continuation Celebration. We will use all appropriate videos submitted! Your child's participation is not mandatory, but we hope that you will encourage him/her to participate.

Click [HERE](#) for the directions on how your student(s) should record a 15 seconds video message. **The deadline for them to submit their video is May 8th at 11:59 PM.**

Looking forward to celebrating with you.
