CELEBRATING BLACK HISTORY MONTH!

Dear Parents,

As you may be aware, February is Black History Month, which is a time to honor the long-standing legacy of African Americans who have made an impact in Denver, our schools and our country. We are joining the many DPS schools throughout the district to recognize and celebrate the many accomplishments and contributions they made as we remember their stories.

In honor of this, we are collaborating with the Mizel Museum to bring an inspiring presentation to our students called **"At the Table with Dr. King"**. This presentation will be held in our Auditorium on Tuesday, February 25th, 2020, as follows:

1st Assemble - 1:35 - 2:30 pm - Lower Academy

2nd Assemble - 2:50 - 3:50 pm - Upper Academy

"At the Table with Dr. King" combines performing arts and primary source material to tell Dr. King's story and inspire students to stand up to bigotry and hatred in their communities today. The message is one of resilience and persistence. The goals of the American Civil Rights Movement are just as important today as they were during Dr. King's life. The aim is to spark a motivation for students to act, and, ultimately, to help mold responsible participants in civil society who will continue to support civil rights for all people. Students understand these important goals by becoming active participants in a dynamic and engaging show, which features music and poetry as well as historical video footage and excerpts from Dr. King's letters. They learn about the history of the American Civil Rights Movement as well as important social-emotional learning goals like empathy and respect.

The show will be very exciting, and I would like to invite you to come and enjoy with your children. For questions, please call Akudo Nwokeukwu @ 720-424-0965.

I look forward to seeing you!

Thank you,

José Martinez
Principal

If you have any questions, please reach out to me.

COUNSELOR'S CORNER!

Keys to collaboration!

Here's a skill that will come in handy when your child works with partners or groups: collaboration. He'll need to exchange opinions and solve problems throughout his school career and in future jobs.

Share these tips:

Think before answering: In a good discussion, each person builds on others' responses. Practice by asking a "Would you rather" question, such as "Would you rather fly like a bird or transport anywhere instantly?" Maybe you'll say "teleporting" is better because you'd get home from work quickly. Your youngster might reply, "I agree that teleporting would be faster, but I'd like to fly and look at the world below."

Negotiate thoughtfully! Appoint your child "consensus builder" for one week. His job is to think of compromises. Say one family member wants tacos for dinner and another wants pasta. Perhaps he'll suggest a "taco-spaghetti bar" where you have tortillas *and* noodles, with toppings for both.
