MEETINGS:

Date:

CSC meetings should be scheduled by the CSC and held a minimum of once a month – Every 2nd Tuesday of the month.

Officers:

Duties should be assigned at the beginning of the school year by consensus of the committee. Leadership positions should consist of a CSC committee chairperson and a secretary.

Chairperson:

The chairperson is responsible for maintaining order of each meeting. This is achieved through effective facilitation of discussions, recognizing the individual who has the floor and conducting the collaborative resolution for issues under consideration by the CSC committee.

Secretary:

The secretary is responsible for compiling the meeting minutes along with a list of decisions made for all meetings. The CSC Secretary should compile minutes of each meeting in a notebook for each school year.

Agendas:

Agendas should be made available to staff and the community at least one working day before the CSC meeting. A partial agenda for the next meeting should be discussed at the conclusion of each meeting. A final agenda will be prepared through consultation with the principal and chairperson with input from the committee members. Agendas will be posted on the CSC communication board and/or other agreed-upon location. Topics for consideration must be submitted to the CSC committee. These may be submitted in writing or to a CSC committee member. It is the responsibility of each CSC member to present issues conveyed to them with the intent that the information be shared with the CSC committee.

Minutes:

Minutes from the most recent meeting should be made available to staff and to the community in a timely fashion and put in CSC file for the school's records.

Quorum:

A quorum must be present at the CSC committee meeting in order to enact, or take action upon issues.

- A majority of CSC members, of whom the principal is one, should constitute a quorum.
- Quick turnaround decisions that must be resolved prior to the next scheduled meeting may be addressed by an emergency meeting called by the principal. A quorum must be present to make a decision. The entire CSC committee will abide by the decision derived from this emergency meeting. These discussions will be communicated to all CSC members at the next scheduled meeting.

Decision-Making:

Decisions should be made by consensus. A consensus decision is either unanimous or a majority decision that the entire committee (including dissenter(s)) will implement and support. The CSC will seek to operate in an environment marked by mutual support and respect. Collaborative decision-making is based upon trust and on the belief in the strength of shared responsibility in decision-making. All participants must be able to state their cases, be listened to, and have their points of view considered.

- Members cannot be instructed by their representative groups on how to decide. Members decide for the good of the students.
- Members will see proposals before decisions are made on the proposals.
- The CSC committee will follow norms established at the first meeting. The ground rules/norms for conducting the CSC committee meetings are as follows: Ask for concerns FIRST before asking for approvals.
- Facilitation may be requested whenever any three representatives of the CSC want to improve the collaborative decision-making process.

Conflict of Interest:

Members of the CSC shall disclose any actual or potential conflicts of interest and, to the extent necessary, shall recuse themselves from participating in a decision where an actual conflict of interest exists.

Open Meetings:

Meetings shall be open to the public.

Notice of meetings shall be posted in a timely fashion in appropriate public places as well as published in the school calendar, newsletter or other appropriate medium.

Public Input:

At least once a month, CSC meetings should include time for public input.

COMMUNICATION:

Constituency Meetings:

To the extent possible, the CSC should communicate with the constituency groups they represent to inform them about the activities of the CSC. Bi annual constituent meetings are recommended and should be scheduled in advance with the principal to avoid conflict with other activities.

COMMITTEES:

To understand what is distinctive about Collaborative School Committees from other school committees (*School Leadership Team, Personnel Committee and English Language Acquisition Parent Advisory Committee ELA PAC*), we begin with the recognition that CSC is defined in Board of Education Policy BDF-R4, the SLT and PC are outlined in the contractual agreement between the Denver Classroom Teachers Association (DCTA) and the school district; and ELA-PACs are called for in the Order of the 1999 U.S. District Court - Denver Public Schools English Language Acquisition Program.

What the **Agreement** now affirms is that there will be a Collaborative School Committee at each school site.

The CSC is one of 5 separate committees

- ◆ The Collaborative School Committee
- ◆ The School Leadership Team
- ◆ Instructional Leadership Team
- ◆ The Personnel Committee
- ◆ The English Language Acquisition Parent Advisory Committee (where appropriate)

Understanding role and function of each committee, how each committee has a distinct task and how they inter-connect is important for each CSC member.

Personnel Committee:

The Personnel Committee stands apart from the CSC and provides oversight for UIP staffing decisions. (Please note that there may be up to two parents on the Personnel Committee (PC), appointed by the CSC. The PC is defined in Article 13.8 of the Agreement).

School Leadership Team:

The School Leadership Team reviews data and collaborates on the development of the UIP and professional development among its responsibilities. More on responsibilities can be found in Articles 5.4 and 8 of the Agreement.

Instructional Leadership Team (ILT):

The Instructional Leadership Team works with the principal to gather and analyze data key to meeting UIP goals and actions. In addition, it plans for and leads professional development of staff related to instruction. Representatives include teachers from each grade level team. May also include SpEd, specials and interventionists

English Language Acquisition Parent Advisory Committee (ELA PAC):

Every ELA Program school must have a Parent Advisory Committee (PAC), chosen by the parents of students receiving ELA Program services at the school. The purpose of the ELA PAC is to provide information regarding the ELA Program, increase communication between ELL parents and the District, review implementation of the ELA Program, and listen to concerns of parents. The ELA PAC may be a subcommittee of a larger committee. At least 2 parent representatives must attend monthly District meetings and report back to the school committee.

See full mandate on Chapter 6 Parental Oversight, of the 2012 Consent Decree of the U.S. District Court - Denver Public Schools English Language Acquisition Program

Communication among all school committees (Collaborative School Committee, Personnel Committee, School Leadership Team, ELA PAC) should flow concisely and regularly

They should understand their separate work, as well as common roles and functions and support what each is doing:

- The Collaborative School Committee will be informed about the DPS/DCTA agreement;
- The Collaborative School Committee will be informed and understand the work of the Personnel Committee, both their interconnection, as well as their separate responsibilities;
- The Collaborative School Committee will be informed and understand the work of the School Leadership Team, both their interconnection as well as their separate responsibilities;
- The Collaborative School Committee will be informed and understand the work of the English Language Acquisition Parent Advisory Committee, both their interconnection as well as their separate responsibilities.

OTHER COMMITTEES:

At any time, the CSC committee may create task forces, or standing subcommittees to facilitate the completion of the CSC committee's work. The CSC committee has final decision-making authority over all CSC-created subcommittees and task forces. These subcommittees or task forces should consist of anyone within the school community including staff, parents, students and/or community members.

Decision Process:

All subcommittee and task forces created by the CSC committee should follow the same collaborative decision-making guidelines for the decision-making process as the CSC committee within the boundaries of decision-making delegated to them by the CSC committee.

AMENDMENTS:**Amendments to Bylaws:**

Amendments to the bylaws should be made by consensus of the CSC committee in accordance with the DCTA and District Agreement, state laws, regulations, District policies and procedures.

Recording Amendments to Bylaws

- CSC committee action resulting in amendment(s) to these bylaws must be recorded in the minutes
- Current bylaws, prior to CSC committee action resulting in amendment(s) to these bylaws, should be kept on permanent record.

Amendment(s) to these bylaws should be incorporated into the body of the bylaws resulting in a new set of bylaws. The date of the amendment to these bylaws should appear on each page of the bylaws. It is recommended that bylaws and procedures are reviewed annually.

Collaborative School Committees Operating Procedures

A. Changes to the composition of the CSC

The CSC may expand its membership as long as the number of parents elected to the committee exceeds the number of representatives from the group with the next highest representation. The CSC at any school may request permission from the Operational Superintendent to reduce its composition due to small school enrollment, or due to the fact that extensive documented efforts to recruit members have been unsuccessful.

Where a pattern of impasse decisions emerges, the Operational Superintendent will provide assistance to the principal and the CSC.
