Time	Agenda Items and minutes
__60Minutes	<ul style="list-style-type: none"> ● Approved minutes from last year ● Drew welcomes everyone ● AKudo- Can we approve April minutes ● Elena- I motion ● Felicia- I second ● Akudo- Felicia is going to present about PTO ● Felecia- Thanks for listening, I think a PTO will be beneficial. ● What is it? A local organization of teachers and parents who work together to meet the needs of teachers and students. ● Why do we need it ? A PTO gives parents and teachers the opportunity to work together to supplement and enrich educational experience. ● PTO is the key to parent involvement- explanation of different levels of involvement. ● PTO fundraising- we can do movie nights for an example. When COVID calms down, hopefully we can do more activities like this, possibly on a Fri. night. ● There are many ways to get the funds needed to fulfill our goal. That is the idea. We set goals and strive to meet them.. ● Activities can be more middle school dances, going to I Fly, indoor skydiving,, instead of the typical zoo field trips could be a goal. ● TEacher Appreciation- PTO can help with this too. ● Ideas for fundraisers: Color Run for example ● There are no DUES for PTO, so no one has to pay dues. We do need insurance in case someone gets hurt, The insurance rates are between \$404-\$750 per year ● We can get a nonprofit status where we will need to a pay an IRS fee of \$750 ● Any questions ● Drew- no questions just thank you , I'm just worried we will be depending too much on teachers and staff rather than parents.

	<ul style="list-style-type: none"> ● I want to bring up before and after care. I feel if parents have parental supervision for the kids during those times, that maybe we can get more parent involvement. ● Kim Brewer- One of the things that brought me to middle school here was the before and after school care. ● AKudo- Thanks so much for presenting all of this information I will support you 100% in starting this up and it looks like Drew has "OK'd" it. ● Allison- I feel like come August one of the things that should be at the top of our agenda items is how we can help you recruit parents. ● Akudo- Moving on...we will be doing the Principal Evaluation Survey that will take the remainder of the time. ● (Committee members take principal survey together) ● This will conclude our last CSC committee meeting of the year ● I'll call for adjournment, but first ● Brewer: I know all you teachers and admin have had a lot on your plate and I really appreciate you letting us be on this committee and being a part of everything. And Akudo, you are great;y appreciated. ● Felicia- motion ● Brewer- I second it
