As the Colorado weather gets colder into the Winter season, we could use your support in getting your children to wear adequate clothing based on the weather conditions. **Students will be outside for recess when the weather is above 32 degrees, as such, we request that you have your children dress in warm clothing and properly label their clothing for identification purposes.**

If you have any questions or if you need support with acquiring the necessary attire for your child during the winter months, please call the school at 7290424-0960 or come by our Family Resource Center, located at the back of our building in Trailer RM. 56 to select appropriate winter clothing for your child.

The Family Resource Center is open on:

- Monday - 4:00 - 6:00 pm
- Tuesday - 1:00 - 3:00 pm, and
