- Welcome and introductions

- Review bylaws comments for feedback:
- Kim motions to approve bylaws and Felicia seconds
  - Akudo will add date and send out as working documents
- Drew with enrollment update:
  - Enrollment down overall, but WAY up from 2 weeks ago.
  - If all enrollments of students attending completed will only be down 30-40 students from projections. Final numbers will be available at the next meeting.
  - Kim asked if there was a specific reason that families are leaving that has been shared. Is there opportunity for more money if kids are added over winter break, etc.
  - Drew hopes that funding comes if we get an influx of students from Afghanistan. Biggest reasons families have shared are moving out of state or to districts further north in the metro area not specific to issues within the school.
  - Kim: Is there anything parents can do in the last push before to help? Drew said not a whole lot but focusing on missing paperwork.
- Akudo pauses to introduce Zhou and Dhanya to the group
  - Dhanya asks for review of committee and Akudo explains
- Zhou and Akudo suggest moving the meetings to early release Wednesdays at 4:30 so parents and paras have time to get home before. Emmy seconds and it passes
- Next meeting:
  - Drew: black excellence, major improvement strategies, and finalized enrollment
  - Kim: subcommittee to help parents learn about platforms to help students, Akudo going to contact with Mr. Wilkerson for support
- Drew thanks everyone for coming and for joining committee
- Akudo adjourns meeting at 5:23 and recommends joining the parent meeting Thursday
